

MEMORANDUM FOR WI/DoD P2 ALLIANCE

FROM: 115th WIANG EMO OFFICE

SUBJECT: Minutes from the WI/DoD Pollution Prevention Meeting

- 1) PLACE: Wisconsin Department of Military Affairs, State Headquarters, Madison.
- 2) DATE and TIME OF MEETING: May 23, 2001, 1000 HOURS. Mr. Jerry Rodenberg served as Chair for the meeting and Marilyn Weiss served as Recorder.
- 3) AGENDA: See Attachment 1.
- 4) ATTENDEES: See Attachment 2.
- 5) REVIEW OF MINUTES: The Minutes from the March 7, 2001 meeting were reviewed and approved with one change. Under Action Item 7d Opportunity Assessments, "plastic media" was corrected to read "aluminum oxide media".
- 6) PRESENTATION: Mr. Peter Schuster, Wisconsin Department of Military Affairs presented a new Army interactive training software program to meet the annual SPCC training requirement as well as the requirements in Army Regulation 200-1. The training program was designed by BT2, Inc and incorporated both Federal and State related regulations. Different programs were designed to meet the site specific needs of each location.
- 7) ACTION ITEMS:
 - a) **Web Site Update.** The web site has been updated so that there are now links from the State to the DENIX web site and visa versa. Subsequent to the meeting, the paragraphs describing the State Guard (army and air force) were discussed. Bill Kehoe, WIARNG will review a paragraph draft for the web site. A paragraph still needs to be prepared for the 440th Air Wing, Air Force Reserves.
 - b) **Alliance Awards.** MSgt Dennis Hilgendorf of the 115th Fighter Wing received an alliance award from the 115th FW Logistics Squadron Commander, Lt Col Hinman. (See attached picture (attachment 3)). No new awards were nominated at the meeting.
 - c) **Training Opportunities.** Discussion on potential environmental training opportunities at the Army Reserve Readiness Training Center at Fort McCoy was deferred to the next meeting.
 - d) **Opportunity Assessments.** The Wisconsin Solid and Hazardous Waste Education Center is continuing assistance to Fort McCoy in regards to reuse for the aluminum oxide blasting operation media. The reuse option being considered is landfill cover based on industrial byproduct reuse regulations. No solutions have yet presented themselves for the old coal pile area.

e) **Historic File.** A copy of MSgt Hilgendorf's award citation will be put into the historic file.

f) **Miscellaneous Discussions.**

1) Affirmative Procurement. Beth Martin from Aberdeen Proving Ground was contacted by Hugh McAlear and her office is willing to give a presentation on affirmative procurement. It was discussed that examples of successful implementation of an AP program was desired. Phil Kaplan, USEPA, will look into finding some examples.

2) Great Lakes Regional Pollution Prevention Summer Meeting. It was discussed that the tour of the 115th FW should include the hazmat pharmacy and the F-16s at the GLRPPR Meeting on 12 July. It was suggested that a short paragraph be written so that GLRPPR attendees will know what will be seen on this site visit so they decide which tour to select. Also discussed was the possibility of a Region V breakout session with other DOD/State Pollution Prevention Partnership representatives. Jack Annis agreed to see if a breakout room was available and Hugh McAlear will notify the Alliance if the meeting will take place or not.

3) Region V EPA Federal Facilities Conference & DoD Environmental Seminar. Scheduled August 14-16 in Chicago. Hugh McAlear will distribute further information via the list serve on this combined conference/seminar.

4) Joint Pollution Prevention and Hazardous Waste Conference is scheduled in San Antonio, 20-23 August. There will be a DOD/State P2 Partnership Crossfeed Forum on 21 August.

8) **FUTURE ACTIVITIES**

- a) The next meeting will focus on affirmative procurement implementation, training opportunities, and the GLRPPR Summer Meeting highlights.
- b) The next meeting is scheduled to be held September 13, 2001 at Fort McCoy.

9) **ADJOURNMENT:** The meeting adjourned at 1330 hours.
